Components

Reality

Comparison/analysis/evaluation Impact

TOC thesis

~~Essay (?)~~

1. Motivation (overview)
2. "use case" like today we are starting with digital entrep. in countries where digital isn't available.

⇒ options/alternatives

3. Evaluate relevant "technologies"/strategies
- value platform

Master form

- TOC bullets/keywords

4. "Design" of platform?

5. Implementation / Drawing

6. Evaluation

- ⊕ write the positive and backs
- ⊖ of your selected recommendation
