The screenshot shows a Canvas LMS interface for a course titled "BYB-v2" and "Entrepreneurship and Small Business Development". The left sidebar contains navigation links: Account, Dashboard, Courses, Calendar, Inbox, and Help. The main content area features a large image of a hand pointing at a small green plant growing from a mound of soil, with a 100 US dollar bill and a 50 Euro banknote lying on either side. Below the image is a short introductory paragraph. On the right side of the course page, there are three buttons: "View Course Stream", "View Course Calendar", and "View Course Notifications", followed by a "To-do" section that is currently empty.

**Maria has a dream, she would like to start a business so she can express herself and make money to provide for her family, but it's not easy to know how to start or even what to do, so Mariya has been thinking alot about what she likes, what she knows, what she doesn't know and how to use all that to achieve her dream.**

## Business plan

Maria wants to start a business, but a has to be done in a certain way; Maria makes a business plan, it is a document that will show her what, how and when to do things.

Maria has called his uncle who knows a bit more about business planning to help her make it.

Page 2:

A business plan presents:

- A brief description of the business;
- The key personnel in the business;
- Key strengths & opportunities of the business;
- Funds, as well as other resources required for the business and how those funds & resources will be used;
- What will potential investors get from the business if they invest in it.
