## Extension proposal

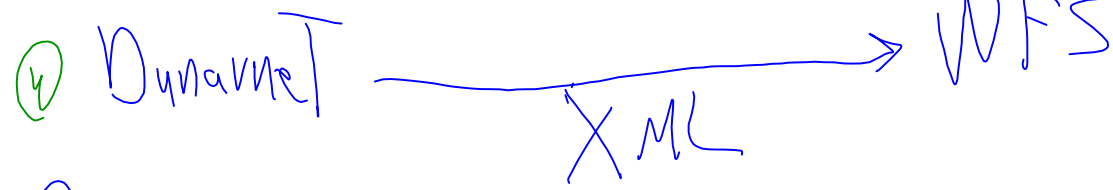

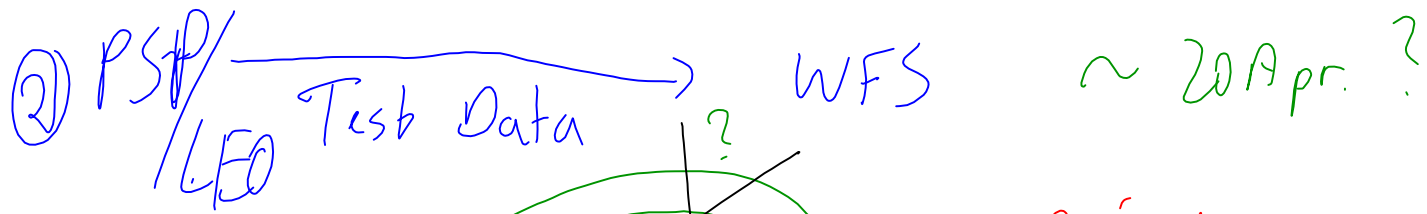

- **Annex II update**
  - **Updated cost categories per partner**  
Chance to improve expected cost items  
Chance to change cost categories
- **Interim payment**
  - **Ask for interim payment for partial remainder (20% of grant)**  
Already performed desk audit, should accelerate process  
Already asking for extension, this would follow logically  
Need interim costs incurred per partner

Sugg. Final Review

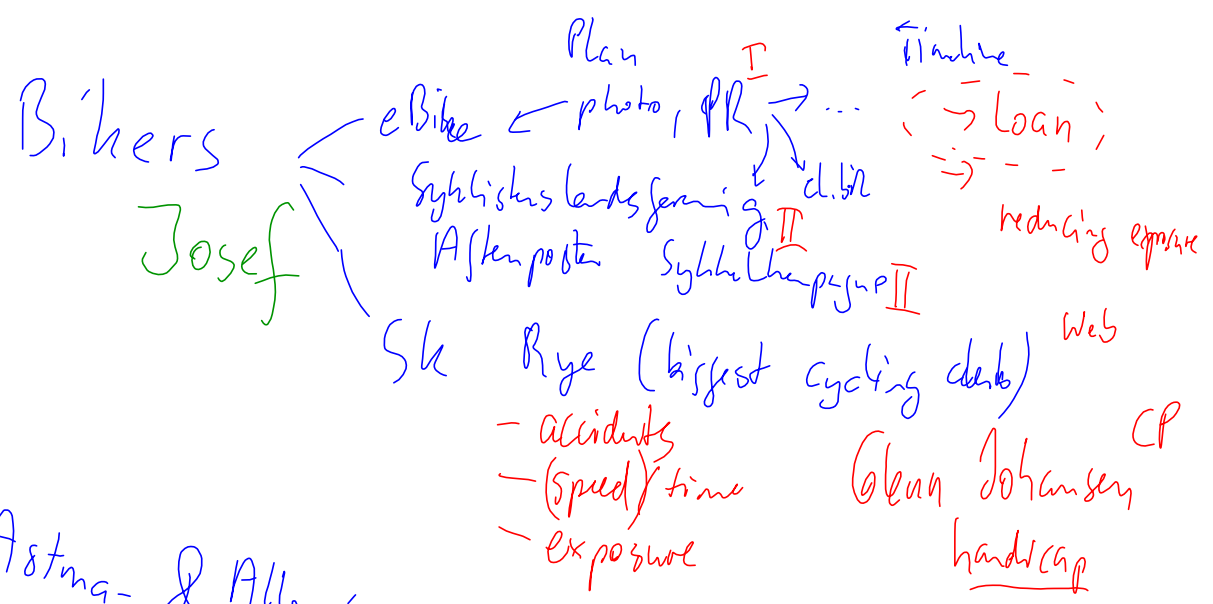

19 Jan 2016

(20./21. Jan 2016)
