ADVANCE PROGRAM

Wednesday May 14, 2014

20.00	Informal dinner discussions
-------	-----------------------------

Thursday May 15, 2014

08.00	Registration
08.30-08.45	<i>Welcome and Introduction: Ramjee Prasad, CTIF/ GISFI, Aalborg University, Denmark</i>
08.45-09.15	<i>Keynote speech: Cyber Warfare - Dawn of a New Era: Parag Pruthi, NIKSUN, USA</i>
09.15-10.45	Session I; COINS Concept: Vision, Innovation & Standardisation
	Session Chair: Erik Fledderus, TNO, The Netherlands
	<i>System aspects of Cooperative Optimized Innovative Intelligent Infrastructure networks (COINS):</i> Josef Noll, University of Oslo, Norway
	<i>Efficient Infrastructure:</i> K. C. Chen, National Taiwan University, Taiwan
	<i>The Implication of Smart Objects on Infrastructure:</i> Rasmus H. Nielsen, CISCO, USA
10.45-11.00	Coffee Break
11.00-13.00	Session II; COINS: Systems

	Session Chair: Rui Aguiar, University of Aveiro, Portugal
	<i>Low Layer Parameter Design for QoE Optimization:</i> Mari Carmen Aguayo-Torres, University of Malaga, Spain
	<i>Smart Antenna:</i> Luc Deneire, University of Nice Sophia-Antipolis, France
	<i>Challenges and Experiences in Agriculture Monitoring For Intelligent Infrastructure:</i> Rune Hylsberg, Århus University, Denmark
	<i>Novel Modulation Technique:</i> Ari Pouttu, University of Oulu, Finland
13.00-14.00	Lunch
14.00-16.00	Session III; COINS: Network & Security
	Session Chair: Knud Erik Skouby, CTIF-Copenhagen, Denmark
	<i>Customer Driven Network Evolution:</i> Christian Kloch, TDC, Denmark
	<i>Collective Adaptive Systems of Networked Devices:</i> Ertan Onur, Middle East Technical University, Turkey
	<i>Distributed Intelligence to Support the Internet of Things:</i> Jeroen Hoebeke, Ghent University - IBBT, Belgium
	<i>Multi business Models embedded with Persuasive Technology:</i> Peter Lindgren, Aarhus University, Denmark
17.00	Surprise Sight Seeing
20.00	Gala Dinner

Friday May 16, 2014

09.00-12.00	Panel Discussion; COINS: Project Concept
	Moderator: Sudhir Dixit, HP. USA
	Panellists: Rui Aguiar, University of Aveiro, Portugal Peter Lindgren, Aarhus University, Denmark Sofoklis Kyriazakos, CTIF, Denmark K. C. Chen, National Taiwan University, Taiwan
10.30-11.00	Coffee break
12.00-12.30	Concluding remarks: Marina Ruggieri, University Tor Vergata, CTIF-Italy Ramjee Prasad, CTIF / GISFI, Aalborg University, Denmark
12.30-13.30	Lunch
	Departure
