**== Idea edit ==**

why this? - "your idea is deleted" - should be "your idea is private"

the real information should be:

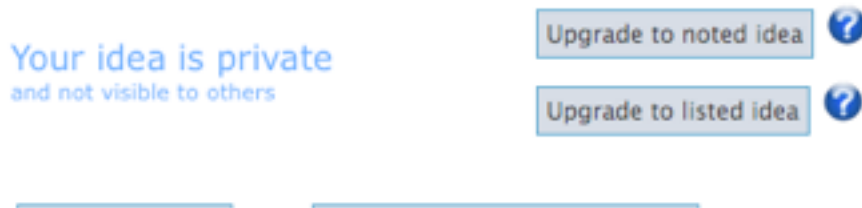

Remember the discussion at:

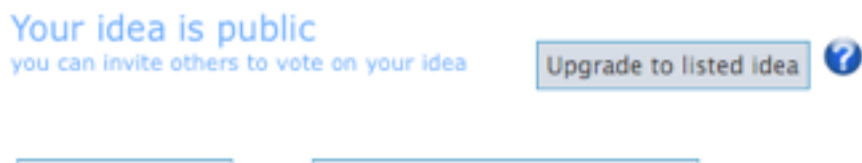

[http://cwi.unik.no/wiki/BG:Small\\_Fixes\\_on\\_v2.51](http://cwi.unik.no/wiki/BG:Small_Fixes_on_v2.51)

- \* Your idea is private - and not visible to others
- \* Your idea is public - and you can invite others to vote on your idea
- \* Your idea is listed - and may become the winner of the month

**Idea is private** *is your company worth right now?*

**Idea is public (previously: noted)** *now?*

**Idea is listed (= on Stock Market)** *now?*
